

REPORT ON THE NATIONAL SEMINAR ON BIODIVERSITY AND ITS CONSERVATION

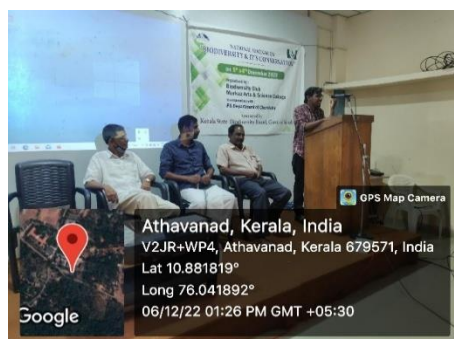

The Biodiversity club of Markaz arts and science college in association with PG Department of Chemistry conducted a two day national seminar on 5th and 6th of December 2022 . “ Biodiversity and its conservation “ was the central theme of the seminar. The programme was sponsored by Kerala state biodiversity board, Govt. Of Kerala. A total of undergraduate students from Chemistry and Botany participated in the seminar. The dignitaries Dr. S Abdul Khader : Presidency college, Chennai, Dr. Mohamed Shafi P : Former HOD of Chemistry, University of Calicut , Dr. Sreekumar V. B : Principal scientist , Forest Botany Department, KFRI, Peechi, Dr. Mohamed Kunhi : Extension scientist, KFRI, Peechi handled the four sessions and conveyed the message properly . The seminar was conducted to make the students aware of the conservation of biodiversity. The two – day seminar was fruitful and the students could gain a clear cut idea about the biodiversity and the relevance of its conservation.
