3.	Mr. Ramees First Year Representative First Year BSc Botany	Member
4.	Ms. Nidha k Second Year Representative Second Year BSc.Chemistry	Member
5.	Ms. Fathima Nifla Third Year Representative Third Year BSc.Chemistry	Member
6.	Mr. Azad-E PG Representative First Year MSc Chemistry	Member

POSTER MAKING COMPETITION

Energy Environmental conservation club of Markaz Arts and Science College, Athavanad has conducted a poster making competition on 18th September 2025 at 12 pm at room no 42. The programme was conducted as a part of plastic free campaign . The theme for the programme was “ say no to plastic, save the planet” . There were a total of 20 participants in 10 teams , each team comprises of 2 students. The instructions for the

competition was given by Mr.Mohamed Hasim M, Coordinator,EECC. The students actively participated in the programme and their works were exhibited before other students in the college. Thus they were made aware of avoiding the usage of plastic. The judgement for the competition was done by Dr.Arifa P P and Mohamed Razy V P . Rinsha C and Shamna Rinshi RV of third year chemistry got the first prize . Harshana Parveen P V and Safa Rinsi MK came to the second position and Jamsheedha PT and Muhammed safer KK came to the third position.

OPEN HOUSE AND TRAINING PROGRAMME ON LED BULB REPAIR

Energy environmental conservation club (EECC) of Markaz Arts and Science College conducted a two day exhibition and training programme on 13 th and 14 th January 2026 in association with Energy Management Centre , Kerala . Energy management council resource person Mr.Sabir P and Mr .Chandran handled the sessions. Classes on energy conservation and LED bulb repairing training sessions were mainly handled by Mr.Sabir P and Chandran sir assisted him in throughout the session. The Programme was started with a welcome speech by Mr.Mohamed Hasim M , Assistant Professor, Markaz Arts and Science College. The entire programme was presided over by Dr.C.P.Mohamed Kutty, Principal, Markaz Arts and Science College. On the first day , 13 th January 2026 , parents were the beneficiaries. They were made aware of the conservation of energy and given the training on LED bulb repairing. On 14th January 2026 , PG students were given the opportunity to be a part of the training. The students were actively engaged in the training session and they were also made aware of the importance of conservation of energy. The whole Programme was a grand success and ended up with a vote of thanks by Liya K.V , student of first year MSc.Chemistry.
