

## **REPORT OF THE ACTIVITIES CONDUCTED UNDER THE BIODIVERSITY CLUB 2021-22**

The Biodiversity club of Markaz arts and science college conducted various activities for making the students conscious about the conservation of biodiversity. As a part of Environmental Day celebration on 5<sup>th</sup> June , the club organized an awareness programme along with campus cleaning and tree plantation.

## Orientation programme for first years.

Biodiversity club has conducted an orientation programme for first year biodiversity club members on 06/01/2022. Our honourable Principal, Dr. C.P. Mohamed Kutty sir took a class on the topic 'Man and Environment'. Almost 102 members have participated in the programme.
