WOMEN DEVELOPMENT CELL

Markaz Arts and Science College, Athavanad

For the year 2022-23.

WOMEN DEVELOPMENT CELL

Women Development Cell (WDC) has been constituted to empower and safeguard the rights of female members; faculty staff and students of College. The WDC works to promote gender equality in the college and conduct diverse programmes to educate, sensitize both male and female members and produce harmonious atmosphere on the campus. It works for the welfare of the students and faculty towards preparing them in to competent professionals to take up greater challenges in the academic sphere.

A Women Empowerment committee is constituted at the Institution level with the objectives as follows:-

- Identification of strong leadership and change makers and building the capacity of women.
- To promote a culture of respect and equality for female gender
- The provision of opportunities and programs for female gender to be financially, mentally and emotionally empowered so as to promote their growth as individuals in their own right
- To conduct seminar, workshop to impart knowledge of opportunities and tools available and train the women
- To inculcate entrepreneurial attitude among young girls, at the earliest so that they can be “job givers” rather than “job takers”
- To make women understand that empowered and educated women are less likely to fall prey to sexual abuse, workplace harassment, domestic abuse many more
- To show that the Empowered women can have happier families
- To imbibe the idea that child marriage, dowry killings, discrimination, female feticide, etc., and other harmful acts can be stopped by women empowerment
