SCOPE OF THE MoU, THE ROLES AND RESPONSIBILITIES

1. Industrial Training & Visits: Industry and Institution interaction will give an insight in to the latest developments / requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. The industrial training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The Second Party will provide its Labs / Workshops / Industrial visit/ Training/ Industrial Sites for the hands-on training of the learners enrolled with the First Party on payment basis.

2. Research and Development: Both Parties have agreed to carry out the joint research activities in the fields of Life science.

3. Skill Development Programs: Second Party to train the students of First Party on the emerging technologies in order to bridge the skill gap and make them industry ready.

4. There is no financial commitment on the part of the College. If there is any financial consideration, it will be directly collected from the students/ faculty.

VALIDITY

This Agreement will be valid until it is expressly terminated by either Party on mutually agreed terms, during which period **Amplicon Biolabs**, the Second Party, as the case may be, will take effective steps for implementation of this MoU. Any act on the part of **Amplicon biolabs**, the Second Party after termination of this Agreement by way of communication, correspondence etc., shall not be construed as an extension of this MoU

2 Both Parties may terminate this MoU upon 30 calendar days' notice in writing. In the event of Termination, both parties have to discharge their obligations.

RELATIONSHIP BETWEEN THE PARTIES

It is expressly agreed that First Party and Second Party are acting under this MoU as independent contractors, and the relationship established under this MoU shall not be construed as a partnership. Neither Party is authorized to use the other Party's name in any way, to make any representations or create any obligation or liability, expressed or implied, on behalf of the other Party, without the prior written consent of the other Party. Neither Party shall have, nor represent itself as having, any authority under the terms of this MoU to make agreements of any kind in the name of or binding upon the other Party, to pledge the other Party's credit, or to extend credit on behalf of the other Party

AGREED:
