6. To organize extracurricular, co-curricular and related activities jointly for the benefit of students and for creating awareness of energy conservation.
7. To organize continuing education program by assessing the need of engineering industry with emphasis on energy conservation.
8. To organize seminars/Workshops in mutually agreed areas for dissemination of knowledge amongst the students, professional community and society at large.
9. Both parties shall strive together and put their best efforts for successful implementation of agreement
10. ECS shall provide necessary support and provide relevant technology whenever required by Markaz Arts & Science College, Athavanad for the interest of student community in the form of lectures/seminars related to the field of energy management, conservation and energy auditing.
11. Markaz Arts & Science College, Athavanad shall constitute a unit of Energy Conservation Club in the college and shall nominate two faculty members to be responsible for forming and running the club.
12. A minimum number of two faculty members of Markaz Arts & Science College, Athavanad shall be members of Energy Conservation Society.
13. The cooperation and development of activities may be extended to other fields and subjects where Markaz Arts & Science College, Athavanad and ECS identify areas of interest.
14. Both the parties recognize that this memorandum of understanding establishes a foundation of mutual understanding and interest and does not entail any financial obligation for either party.
15. This agreement shall become valid upon signing by both sides, and will be in force from the date of signing, with the understanding that the agreement may be cancelled by either side effective not less than one month notice in writing is given by one of the parties to other party
