## **ENVIRONMENTAL POLICY**

Markaz Arts and Science College, has always taken a green agenda and it has shown remarkable awareness in maintaining an eco-friendly campus. The college complies with all environmental legislation. It strives to inculcate an awareness about the environment among the minds of all stake holders

# ENVIRONMENTAL POLICY

---

## POLICY DOCUMENT

### The objectives

- To promote sustainability and environmental awareness
  1. To make campus greenery by planting herbs, plants and trees, mostly endemic and endangered in order to reduce air pollution, and to maintain a plastic-free environment.
  2. To conserve water resources by Rain Water Harvesting, to construct Rain water recharging tank and laboratory for analysing drinking water of the campus.
  3. To reduce energy consumption, energy wastage and to promote renewable energy resources.
  4. To treat and dispose degradable and non-degradable waste in a safe and environmentally sustainable manner.
  5. To make aware the students and the staff of the importance on the sustainable development, conservation of natural resources and encourage them to work in an environmentally responsible manner.
  6. To inspire the students and the faculty to involve in activities related to environmental issues, sustainable solutions, and rural development, and also to contribute to national level initiatives by the government.
