

REPORT ON NATIONAL SPACE DAY (NSpD-2025) CELEBRATIONS

DEPARTMENT OF PHYSICS

MARKAZ ARTS AND SCIENCE COLLEGE, ATHAVANAD

NATIONAL SPACE DAY (NSpD-2025) CELEBRATIONS To commemorate the success of *Chandrayaan-3*, the Government of India has declared **August 23** as *National Space Day*. In this connection, the Department of Physics in association with IQAC organized two events — a **Quiz Competition** and an **Astrophotography Competition** — as part of the National Space Day (NSpD-2025) celebrations in our college.

The quiz aimed to enhance students' knowledge and curiosity about India's space missions, with special emphasis on the Chandrayaan-3 mission. The competition saw enthusiastic participation from various departments. Questions covered topics such as ISRO's history, lunar exploration, space technology, and recent space achievements. Students showcased their creativity and observational skills by capturing striking images of celestial objects and phenomena. Entries were submitted via WhatsApp to the event coordinator. The competition encouraged students to blend scientific interest with artistic vision, fostering appreciation for astronomy and space science. The programs successfully celebrated India's space achievements, especially the Chandrayaan-3 mission, while inspiring students to engage with space science and technology. The events strengthened scientific curiosity, teamwork, and creative expression among participants.

NATIONAL SPACE DAY

(NSpD-2025)

**DEPARTMENT OF PHYSICS IN
ASSOCIATION WITH IQAC
COMMEMORATING
THE TRIUMPH OF CHANDRAYAAN - 3**

QUIZ COMPETITION

"India's Space Quest: Chandrayaan-3 Special"

DATE:-07-08-2025

TIME:-10:45 AM

VENUE:

Seminar Hall 2

ASTROPHOTOGRAPHY

"The Universe Through My Lens"

DATE:-08-08-2025

PAINTING COMPETITION

"India's Lunar Dream -Chandrayaan-3 "

DATE:-08-08-2025

(FOR SCHOOL STUDENTS)

WINNERS WILL GET CERTIFICATES
FROM **ISRO**

8)	Lige K V Parithan	Msc Chemistry (1 st) "	 

CERTIFICATE

of participation

National Space Day

NSpD-2025

It is hereby certified that..... **Markaz Arts and Science College, Athavanad**
..... **Malappuram**

has participated actively in the **National Space Day – 2025** celebrations organised by Indian Space Research Organisation (ISRO) by conducting events/competitions at their campus and locality. We sincerely appreciate the dedication, hardwork and enthusiasm of your institution in making the celebrations a resounding success.
